## INTRODUCTION

The University of New Haven is a regional leader in providing career-oriented, contemporary business education since 1920. We are pleased to announce the addition of another distinguished MBA program designed for your career success. Our classes are taught by caring full- and part-time faculty who enjoy national and international reputation in their fields. The MBA program is designed for busy adults in a format conducive to one's lifestyle, which allows you to complete your Master's degree quickly without sacrificing quality.

## FORMAT

In less than two years, a cohort of 15 to 25 MBA students can complete an MBA degree that develops the skills, knowledge and values today's manager must possess to be successful. The program is a modular lock-step curriculum, which includes core and advanced courses. You take and complete one course in a five-week increment. Each course is a building block for the next. The same group of students remains together for the entire program in a seminar style. Classes meet two nights a week or one day a week on Saturdays from 8:30 am – 3:30 pm. There are four locations to better serve the residents of Connecticut. Classes will be forming in **West Haven, Stratford, and New London**. There are no classes scheduled on major holiday weekends or during the month of August.

## REQUIREMENTS

Candidates for admission to the MBA program are required to hold a four-year baccalaureate degree (or equivalent) from an accredited institution. An undergraduate degree in business is not a requirement; qualified students from all backgrounds are encouraged to submit applications. In addition, applicants must have two years of professional experience.
